SUPPORT CANADIANS LIVING WITH CANCER

PAINT YOUR SCHOOL YELLOW!

Cancer touches the lives of too many loved ones. Each of us has been impacted by the disease in some way. **April is Daffodil Month – it's THE month to fight back against cancer at your school.**

Your school can join this national-wide movement by helping raise funds through our Paint Your School Yellow campaign. School fundraising events are incredibly fun, build school spirit and foster leadership skills, while raising money for a cause that your friends, family, and teachers care about.

Funds raised through Daffodil Month help cancer patients and their families by funding life-saving research and support services so that more Canadians survive and no one has to face cancer alone.

There are countless ways to Paint Your School Yellow! Here are just a few ideas:

- Host a Bake Sale – everyone loves a mid-morning treat
- Dress Yellow Days – the hallways just got a bit brighter
- Locker Decorating Contest – show your daffodil spirit
- Daffodil-themed Fashion Show – strut the yellow catwalk
- Street Sales Volunteering – sell daffodil pins and earn service hours
- Class vs. Class Competition – hold a poster competition or build an obstacle course in the gym and award the winning class The Daffodil Cup

Are you ready to get started? We're here to help. Contact us today and we will help you organize a fun and meaningful Daffodil Month fundraiser this April.

Make a bigger impact this April by engaging your school community in the fight against cancer.
