WHAT IS A MULTI-SITE TEAM?

- Multi-site teams participate in 2 or more Relay site locations with 10 or more people in each location.
- Multi-site teams register in one of the four team categories: corporate, friends & family and youth.
- A Multi-Site Team Coordinator is the main contact and oversees the entire team. Each local team will also designate a Team Captain. The Multi-Site Team Coordinator will also act as Team Captain for their local Relay site.

BENEFITS

- **Build camaraderie among colleagues near and far.** If your organization has offices in different Relay communities, multi-site teams can engage and connect employees from coast-to-coast.
- **Show team support in multiple communities across the country.** On a multi-site team, you can challenge friends and family from across Canada to fundraise as much as they can!
- **You will have access to a multi-site team page.** This national fundraising page can host logos and information and showcase the fundraising efforts of your multi-site team across the country.

SUPPORTING TOOLS

All our fundraising tools can be found on relayforlife.ca:
